

25 Fires: A Call to What Comes Next

A Kirkus-starred prose-poetry collection exploring social fracture, human agency, and hope.

In a time of high anxiety and uncertainty, *25 Fires* offers a clear-eyed challenge to cynicism and an invitation to imagine what comes next. Told through 25 brief and fiery chapters, the book explores themes of community, legacy, purpose, responsibility, and choice. A quick read designed for deep reflection. It's spiritual poetry for the doomscroll age.

Praise for 25 Fires

“An earnest summons that finds a sense of purpose inside ecological and existential dread” -Kirkus Reviews (starred review) ★

“The kind of book that reminds you there is still value in paying attention, showing up, and choosing what matters.” -Goodreads Review

“Grabbed me by the shoulders and said: Wake up, you’ve still got work to do.” -BookBub Review

About the Author

Eric S. Hoffman is a writer, a father, and a world traveler. His work explores human experience and the search for meaning in a complex world.
